## Skills

---

JavaScript | React.Js | Node.Js | MongoDB | Express.Js | HTML | CSS | Bootstrap

## Education

---

**Chandigarh University** -Master of Computer Applications

**SGPA : 8.80**

**MCM DAV College Kangra** –Bachelor of Computer Applications

**CGPA: 8.06**

## Projects

---

**E-commerce Web Application(PracUniMart)** | *React.Js, Node.Js, Express, MongoDB, Multer*

- Developed a full-stack ecommerce web application using **MERN** architecture Implemented CRUD operations, an admin panel, and a login/register form. Students can choose products for practical experience according to their preferences.
- **Frontend:**Built a user-friendly interface with React.js & HTML for seamless user interaction.
- **Backend:**Utilized Express.js and Node.js to handle server-side logic and API communication.
- **Database:**Employed MongoDB to store user information securely.
- **Multer:**Utilized Multer for efficient file handling in Node.js applications, which is essential for file uploads.

**Prime Solutions** | *React.Js, HTML, CSS, Node.Js, Javascript, Multer, JWT(JSON Web Token)*

- Developed a full-stack web application using **MERN** architecture Implemented CRUD operations, an admin panel, and a login/register form . To connect users with various services they need.
- **Frontend:**Built a user-friendly interface with React.js & HTML for seamless user interaction.
- **Backend:**Utilized Express.js and Node.js to handle server-side logic and API communication.
- **Database:**Employed MongoDB to store user information securely.
- **Middlewares:** Implemented multer for efficient image uploads and storage, and integrated JWT middleware to enhance website security by managing authentication and authorization.

**Portfolio Website** | *HTML, CSS, Javascript*

- Designed and implemented a personal portfolio website using HTML, CSS, and JavaScript. Showcases projects, skills, and contact information. Provides a professional online presence for networking and job opportunities.

**Mini Single-Page Projects** | *React, HTML, CSS, Javascript, MongoDB*

- Developed several mini projects to enhance skills, including a file sharing link app and a to-do list application.

## Technical Skills

---

- **Frontend:** HTML | CSS | JavaScript | React.js
- **Backend:** Node.js | Express.js
- **Database:** MongoDB | SQL(ORM)
- **APIs:** Express.js (Restful APIs)

## Certifications

---

- **Certificate:** Completed a 6-month web development course.

## Languages

---

English | Hindi
